

Euroseas Ltd. Announces Agreement to Sell its 2005-built 6,350 teu Intermediate Containership, M/V Marcos V

Maroussi, Athens, Greece – May 29, 2025 – Euroseas Ltd. (NASDAQ: ESEA, the “Company” or “Euroseas”), an owner and operator of container carrier vessels and provider of seaborne transportation for containerized cargoes, announced today that it has signed an agreement to sell M/V Marcos V, an 6,350 teu intermediate containership built in 2005, to an unaffiliated third party, for \$50 million. The vessel is scheduled to be delivered to its buyer in October 2025. The Company is expected to recognize a gain on the sale in excess of \$8.50 million, or \$1.20 per share.

Aristides Pittas, Chairman and CEO of Euroseas commented: “We are pleased to announce our agreement to sell our M/V Marcos V for a total price consideration of \$50 million. The vessel was acquired in Q4 2021 for \$40m, attached with a time charter contract at a rate of \$42,000 per day for three years, plus a fourth year at the option of the charterer at \$15,000 per day which was exercised. M/V Marcos V, upon its delivery to its new owners in October 2025, will have generated exceptional returns to our shareholders, realizing more than five times our original equity investment.”

Notes:

(*)TC denotes time charter. Charter duration indicates the earliest redelivery date; all dates listed are the earliest redelivery dates under each TC unless the contract rate is lower than the current market rate in which cases the latest redelivery date is assumed; vessels with the latest redelivery date shown are marked by (+).

(**) Rate is net of commissions (which are typically 5-6.25%)

(***) The vessel is sold and is expected to be delivered to its new owners in the fourth quarter of 2025

About Euroseas Ltd.

Euroseas Ltd. was formed on May 5, 2005 under the laws of the Republic of the Marshall Islands to consolidate the ship owning interests of the Pittas family of Athens, Greece, which has been in the shipping business over the past 140 years. Euroseas trades on the NASDAQ Capital Market under the ticker ESEA.

Euroseas operates in the container shipping market. Euroseas' operations are managed by Eurobulk Ltd., an ISO 9001:2008 and ISO 14001:2004 certified affiliated ship management company, which is responsible for the day-to-day commercial and technical management and operations of the vessels. Euroseas employs its vessels on spot and period charters and through pool arrangements.

The Company has a fleet of 22 vessels, including 15 Feeder containerships and 7 Intermediate containerships with a cargo capacity of 67,494 teu. After the sale of M/V Marcos V and the delivery of the two intermediate containership newbuildings in 2027, Euroseas' fleet will consist of 23 vessels with a total carrying capacity of 69,744 teu.

Forward Looking Statement

This press release contains forward-looking statements (as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended) concerning future events and the Company's growth strategy and measures to implement such strategy; including expected vessel acquisitions and entering into further time charters. Words such as "expects," "intends," "plans," "believes," "anticipates," "hopes," "estimates," and variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to changes in the demand for containerships, competitive factors in the market in which the Company operates; risks associated with operations outside the United States; and other factors listed from time to time in the Company's filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
